The Ultimate Sponsorship Opportunity in Canadian Fisheries and Seafood

The 2025 FCC conference theme: **“Accessing Global Markets in Turbulent Waters,”** addresses the critical challenges of trade uncertainty, tariff issues, and unpredictable market conditions facing the Canadian fish harvesting, processing, and seafood industry.

Considered to be one of the most important industry gatherings - this exclusive conference brings together over 175 delegates from across the Canadian fish and seafood sector, including:

▶ **GOVERNMENT LEADERS**

Ministers, Members of Parliament, and senior officials from key departments shaping policy and regulations that affect your business.

▶ **INDUSTRY LEADERS**

Presidents, CEOs, and top-level decision makers from major fish harvesting and seafood processing companies operating on Canada’s three coasts.

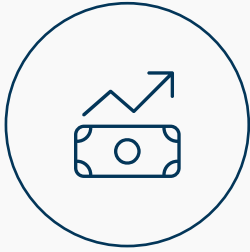

▶ **KEY STAKEHOLDERS**

Academic experts, financial institutions, and industry associations that influence the direction of the Canadian fish harvesting and seafood sector.

This is where you get seen and heard, where relationships are forged, and your brand can shine in front of the exact audience you need to reach.

Don’t miss this unparalleled opportunity to position your company at the heart of this vital Canadian industry.

Why Sponsor the 2025 FCC Conference?
